## **LiveRez.com Moves into New Corporate Headquarters**

The new 11,000 square-foot space is intended to support the software company's continued rapid growth in the vacation rental industry

**EAGLE, Id.** — [LiveRez.com](http://LiveRez.com), the leading provider of cloud-based software for professional vacation rental managers, has moved into new corporate headquarters at 1173 E. Winding Creek Dr. in Eagle, ID.

The new 11,000 square-foot complex features state-of-the-art engineering and architectural design, and features:

- Office space for more than 50 employees
- Executive conference room
- Kitchen
- Lunch room
- Outdoor patio
- Locker room
- Theatre room equipped with popular gaming systems
- And, a 1500 square-foot recreational room – with big screen TVs, couches, a ping pong table and foosball table – that will double as an on-site training facility for LiveRez partners.

“With as fast as we are growing as a company, we knew we had to think long-term and invest in a space that could accommodate our current and future employees,” said LiveRez Founder/CEO Tracy Lotz. “Our new headquarters not only will support our planned growth, but also offers our employees a better environment to come to each day.”

Since first offering its software in 2008, LiveRez.com has grown to partner with nearly 800 professional management companies from across the United States and beyond. It currently operates with a staff of more than 30 full-time employees.

To celebrate the opening of its new headquarters, LiveRez held a ribbon cutting ceremony and open house on Friday, Jan. 31. To see pictures of the new LiveRez.com headquarters, as well as pictures and video from the ribbon cutting and open house, visit the [LiveRez.com Blog](#).

**About LiveRez.com**

LiveRez.com is a complete, online, vacation rental property management solution, focused on making vacation rental property managers fully operational online and thereby increasing bookings. LiveRez.com offers an all-in-one cloud-based platform, featuring best-in-class websites optimized for online bookings, a full-featured reservation and property management system, a robust CRM system, an exclusive connection to QuickBooks for trust accounting, and a unique “Pay-for-Performance” approach, which provides a mutually beneficial partnership between LiveRez.com and its vacation rental manager partners. The company’s largest competitor is HomeAway Software for Professionals.
